

## **Extended School's News**

It has been another wonderful term at the Extended School Provision. The good weather has allowed the children to enjoy the outside areas and sports equipment, and the younger children have loved using the small world figurines that were very generously donated to us. Those accessing the clubs on offer have learnt and developed a range of skills through working with the specialist teachers. As you may have noticed this term, we welcomed some new sport coaches and a new dance teacher to the Extended School's clubs. Following a successful first term and positive feedback from the children, they will be working with us again in the summer term.

In addition to the development of the clubs on offer, we have also adapted the menus.

For children attending from 3pm—5pm, the light snack options include: bagels, crackers, crumpets or toast, served with a choice of ham, cheese, tomato, cucumber, carrot, apple or orange. Children are also given a juice drink, and water is available all evening.

For children accessing the late provision, we now offer jacket potato with beans and cheese, pasta with sauce and cheese, pizza and potato wedges and side salad options.

The Extended School's bookings for the summer term will be going live on Sunday 12th March at 8pm. You will be able to book places for childcare next term from this time. As always, childcare is the primary purpose of this service, with clubs being offered as an additional extra. Booking for clubs will then go live on Wednesday 15th March at 8pm. We look forward to welcoming your children to the provision next term.

Ms K Cumpstey

Extended Schools Manager

## Extended School's Prices

Please see the pricing structure for childcare below:

Nursery childcare only from 3pm - 5pm	£16.00 per session
Nursery childcare only from 3pm – 5:45pm	£20.00 per session
Childcare only (Rec – Year 6) from 3pm - 5pm	£12.00 per session
Childcare only (Rec – Year 6) from 3pm – 5:45pm	£16.00 per session

## Donations to Extended School

The Extended School's Team would welcome any board game donations. We would also be grateful for any small world donations. These consist of small figures such as people, animals, cars, trains, etc. These can be donated to the school office or the Extended School's office at collection.
