

Online Safety Week 2023

Follow the blue hyperlinks for links to useful websites

Safer Internet Day 2023 takes place on the 7th of February 2023, with celebrations and learning based around the theme '**Want to talk about it? Making space for conversations about life online**'.

Safer Internet Day is a great opportunity to focus on online safety with your child, whatever their age. The UK Safer Internet Centre have created a range of advice to help you start a conversation with your child.

Social Media Guides for parents and carers

The Common Sense Media website has a selection of easy-to-read guides explaining the popular social media apps such as TikTok and Instagram. The guides and videos explain how these apps work, if they are safe and how these apps are used. Q&As are also available for questions such as, [What Should I Do If Other People Post Pictures or Videos of My Child Online Without Asking Me First?](#)

Parental controls on Apple mobile Devices

Guidance from Apple on how to make your devices safer when they are being used by children.

Need more help?

Childnet offers helpful information and guidance on a range of key online safety topics including video chats, parental controls, online harassment and online pornography. <https://www.childnet.com/help-and-advice/>
